Another world first from banerect®!

banerect®  
portable displays

## A lightweight Velcro Receptive Self Retracting Banner stand

The Velcro BRAVO™ is an easy to carry & use 2000mm x 850mm Velcro Receptive display surface you can velcro-fix your posters & brochure racks to. As many times as you like, where you like, when you like.

The Velcro BRAVO™, in its compact carry bag means the end of having to use those heavy, difficult-to-erect, rigid display panels in their hard-to-handle carry cases.

## Velcro Your Own Posters On – It's Just So Easy!!

The Velcro BRAVO™ allows the user to reduce their display costs by maximising the use of existing presentation materials whilst creating effective and relevant displays.

banerect® developed the Velcro BRAVO™ specifically for anyone with a story to tell, product to sell, or a point to make, wherever & whenever they want to.
